

Exam Results Days

Due to current building works on school site, please read carefully the information below. For safety reasons, we ask that you keep to the recommended routes into school only and do not attempt to walk around other areas of the school site. We thank you for your co-operation.

A-Level/BTEC Results – Thursday 16 August

Students can collect their A-Level and BTEC results from 10.00am on Thursday 16 August. We ask that students please enter the school via the main entrance and go straight through the school reception area and upstairs to the Sixth Form area.

GCSE Results – Thursday 23 August

Students can collect their GCSE results from 10.00am in the Bourne Hall on Thursday 23 August.

We ask that students please enter school via the main entrance and head through the open gates between D and F Blocks. Please then enter B Block through the side entrance by D Block and walk down the corridor past the canteen and library where you will be free to exit the building and collect your results from the Bourne Hall.

Please give yourself plenty of time to review your results and then meet with a relevant member of staff to discuss what happens next.

We wish you all the best of luck. Staff will be available to meet with you on both days.
